BASIC INFO

- Age: 18
- Nationality: Nederlands
- Gender: Man
- More info: 84669.ict-lab.nl/

PROFILE

I am a student at the Grafisch Lyceum Rotterdam (GLR) and I am doing the Media Technology course. Here I make websites, Interactive games and tools and other software. I work with: HTML, CSS, Javascript, PHP, SQL and with other software such as, Git, Wordpress, CraftCMS, NPM, Composer and many more. My hobbies are surfing, playing the piano and video games. In addition, I am friendly and quite funny.

SKILLS

- I have a lot of knowledge in the IT sector.
- Skils in programming and beta subjects (mathematics).
- I can work in a team and independently.
- Have many Front-end Skills and Back-end skills.
- I can follow instructions and hand in assignments on time.
- I am good at explaining IT topics to people who are less familiar with them.
- I speak fluent English, I have a Cambridge C1 diploma, and I can speak German reasonably well.

CHARACTERISTICS

- Vast knowledge of computer science.
- An active worker.
- Good at video games
- A love of programming.

WORKING EXPERIENCE

NATIONAAL VIDEOGAME MUSEUM (INTERNSHIP)

OKT 2018 - OKT 2018

- I made sure to move arcades cabinets.
- Was an assistant at assembling hardware.
- I have monitored the arcades as security guard and a arcade tester.
- Especially had to troubleshoot Arcade's.

NATIONAAL VIDEOGAME MUSEUM (ARCADE ENGINEER)

JUN 2018 - JUL 2019

- Arcades assembled and tested.
- View the condition of old cabinets.
- Monitering the playhall.

DREAMS SURFSHOP (INTERNSHIP)

MAART 2018 - MAART 2018 (2 WEKEN)

- I've worked a lot with Photoshop here and I've learned how to run a business.
- Learned many economic skills.
